

If you are contributing on behalf of a University of Michigan department, please send funds directly to Shenika's student account.

Step 1: Send information regarding the amount contributed and the date of this transaction through the Office of Financial Aid to Shenika John Jordan.
Email: shenjj@umich.edu.

Step 2: Ensure that the contribution is accounted for the **summer term**.

Shenika will then follow up with the Office of Financial Aid and ensure that the check is safely routed to her student account.

For further information that cannot be disclosed on her public website, please contact Shenika.
